Comment: As of January 2004, the Dark Hollow bridge is still out, so riders must take an alternate route. One possibility is to go left from Dark Hollow Road onto Stovers Park Road and wind through Ralph Stover Park to Stump Road, then left onto Carversville-Wismer Road. Secondly, I don't know of any general store on Bridgeton Hill Road in Upper Black Eddy (mile 29.8); an alternative stop would be to cross the bridge to The Bakery in Milford, NJ, then return to Rte 32 in PA.
