

SUBURBAN CYCLISTS UNLIMITED

CUE SHEET

ROLLING 25

Starting Location: #21 (Hatboro-Horsham H.S.)

Distance: 25 miles

Description: To Warwick and back, via Hatboro/Upper Moreland. A longer version of the Rolling 20.

Contributed by: Terry Strobaugh

Note: this is a very old cue sheet, and when it was first established the extension of Creek Road past the railroad tracks was not overgrown and impassible as it is today. The detour is to turn right after crossing the railroad tracks, and pass though the parking lot of the first business.
