SCENIC NOTES

This ride, submitted by Luke Brisette, was the winner of our 1998 design-a-ride contest. The ride is named for Luke's grandmother, whose farmhouse on Buxton St. still stands. The ride travels miles of backroads with ponds, reservoirs, farmland and country homes. ~~Lincoln Industrial Park on Powder Mill Rd. will host the Lincoln Lions International Criterium bike race starting at noon.~~ On Stone Barn Rd. note the actual stone barn. Enjoy a rest stop at White Mills Community Park at E. William Lake Rd. in Pasco, the historic Smith Applebee House on Stillwater Rd., the two fascinating houses that everyone sees from Rt. 295 in Smithfield & Mönster Head Rock on Mattity Rd. on the 23 mile loop. Food stops are at Slatersville Plaza, Pacoag Center, Chepachet (Rt. 44), Smithfield (Rt. 116 & Log Rd.) & McDoanld's at the end of the ride.
